

## **GRADUATE PROGRAM APAC**

### **About Natixis**

Natixis is the international corporate, investment, insurance and financial services arm of Groupe BPCE, the 2nd-largest banking group in France with 35 million clients spread over two retail banking networks, Banque Populaire and Caisse d'Epargne.

In Asia Pacific, our platform provides regional corporates and financial institutions with tailor-made financing and capital markets solutions as well as access to global financial markets, while supporting the development of Natixis' European and international clients in Asia Pacific.

Through its branches in Shanghai and Beijing, Natixis works with many of China's largest corporations and provides investment opportunities to Chinese institutional investors. We aim to serve as trusted advisor to our clients, leveraging our global reach and expertise to support their business development at home and abroad.

### **Our Program**

With our growing CIB business in Asia Pacific, we are seeking highly-motivated individuals to join our APAC Graduate Program. It is an accelerated 18-month generalist program commencing in August 2018 designed to help you gain business knowledge, technical skills and interpersonal skills. Through job rotation across the various businesses and a short term attachment to our Head Office in Paris, you will explore different areas of the bank, from Front Office to Support Functions. You will acquire fundamental banking knowledge and exposure for a rewarding career with Natixis.

This program targets candidates with a high - academic level and leadership achievements, who are able to withstand the rigors of a rapidly changing and demanding, but ultimately rewarding environment.
